ICMDSA'25

Hybrid Conference

*The first International Conference
on Mathematics, Data Science
and Artificial Intelligence*
FST Mohammedia , Morocco
November 28 th, 2025

Presentation

ICMDSA'25 marks the inaugural edition of an international conference dedicated to presenting groundbreaking research, proposing innovative solutions, and tackling major challenges in the fields of Mathematics, Data Science, and Artificial Intelligence. This interdisciplinary event aims to

unite researchers, professionals, engineers, policymakers, and students to exchange ideas, foster collaboration, and advance the frontiers of knowledge and technology.

Topics

- Topic 1: Statistics, probability and their applications in IA
- Topic 2: Mathematical Methods in Physics and new Technologies
- Topic 3: Algebra & Functional Analysis
- Topic 4: Mathematical Modeling, Dynamical systems and applications
- Topic 5: Big Data and Power BI
- Topic 6: Computer sciences for IA
- Topic 7: Datamining, Machine learning and IA

Objective

This day aims to:

- Explore emerging techniques in Mathematics and Artificial Intelligence
- Promote research outcomes grounded in mathematical modeling
- Engage young researchers in the fields of Artificial Intelligence and Applied Mathematics
- Foster and strengthen scientific exchanges among participants and PhD students in the region

Organization committee:

ABASSI Asmaa	FSTM, UH2C
ABOU EL HANOUNE Younes	ENSAH, UAE
ALLALI Karam	FSTM, UH2C
AMINE Saida	FSTM, UH2C
AZOUAGH Nabil	FSTM, UH2C
GOUASNOUANE Omar	FSTM, UH2C
JOUNDY Youssef	FPSB, UCD
KABIL Mustapha	FSTM, UH2C
LMAKRI Aziz	ENSAM, UH2C
MARZOUKI Faouzi	ESTT, UAE
MOUSSAID Ahmed	FSTM, UH2C
MOUSSAID Nouredine	FSTM, UH2C
SBAI Hanae	FSTM, UH2C
TAIK Ahmed	FSTM, UH2C
YAFIA Radouane	FSK, UIT
Zeroual Imad	FSTR, UMI

Junior Commitee

DAHMAN Mohammed	FSTM, UH2C.
ELKHOUMRI Abdelmojib	FSK, UIT.
GRARI Meryem	FSO, UMP
LABAIHI Mohammed	FSTM, UH2C.
MAROUANE Insaf	FSTM, UH2C.
NAJM Fatiha	FSK, UIT.
TAHA Abdellatif	FSTM, UH2C.

General Chairs

Pr. AZOUAGH Nabil
Pr. MOUSSAID Ahmed

Registration & Fees

Category	Face to Face	Online
Student	300 DH	200 DH
Academic	400 DH	300 DH
International	40 €	30 €

These fees entitle to the complete file of the ICMDSAI'25, to the lunch and coffee breaks.

Organization of the day:

ICMDSAI'25 first hybrid day will be held from November 28, 2025 at the Faculty of sciences and technology of Mohammedi. Hassan II University, Casablanca - Morocco.

Important dates:

Abstract Submission DEADLINE	10/11/2025
Notification of Acceptance	15/11/2025
Regular Payment DEADLINE	20/11/2025

Abstracts should be sent to the following address:
icmdsai25@gmail.com

Abstracts must follow the format provided by ICMDSAI'25 and may be written in English or French
